Child's Name _____ Grade _____

This is a private, parent-teacher communication. and will be shared *only* with teachers. We are available to talk with you at any time during the year, so please feel free to give us updates as needed. There are several items on the reverse side of this sheet.

Is there anything you'd like to share with us about this summer?

What are your hopes for this year?

What are your child's hopes for this year?

What are your child's strengths?

(More on the other side!)

What things are difficult for your child?

What helps?

Are there things we should know about foods, drinks and/or allergies, weekly schedules or anything else?

Children write about things they know and love, things they wonder about, wishes, dreams, fears, and the ordinary events of daily life. What sorts of things are of interest to your child and your family? Are there trips, activities, events or stories that might spark an idea when a dry spell hits?

What should we know that we didn't think to ask?

Optional question for parents:

Is there anything you would like to do for the class or for the school this year? Do you have a talent, resource or avocation you'd like to share? We love having parents share what they know, what they do and what they love. Thank you!
